Introductory Comments

Applicants received a Notice of Allowance that was sent Nov. 8, 2007, with a request to pay the issue fee by February 8, 2008, for the above-referenced Application. Prior to receiving this Notice of Allowance, Applicants amended the claims to cancel independent claim 22 and replace it with a new dependent claim (claim 23) to comply with anticipated USPTO rule changes. Since the new rules never officially took effect, Applicants are filing another Request for Continued Examination (RCE) to add back the independent claim deleted by the prior amendment (old claim 22) and cancel the new independent claim (allowed claim 23).

The following transmits a request to amend the claims currently allowed.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks begin on page 3 of this paper.
